

EATING THIS COUPON WOULD PROVIDE MORE VALUE THAN IT'S ACTUALLY WORTH

Official COMPANY COUPON

THIS COUPON WORTH - 1 (ONE) PROJECT*

WHEN YOU **LOW BALL PAYMENTS** **OR** **WHEN YOU** **PAY WITH EXPOSURE**

*This coupon is not valid and will NEVER be valid in any shape, form, or fashion on any planet in any universe know to man for all known eternity x2. You can't pay rent with exposure, you can't get chicken nuggets with exposure, and you sure as shit can't pay taxes with it either. Try to pay hard-working employees who pour their souls into your "passion project" that will "pay in the long run" or that startup idea you and your friend Kevin half-ass put together last Tuesday, with your exposure bucks. Kindly take your lowball rebuttal and offered payment of your 10's of 100's of Twitter followers in "exposure" and rocket yourself straight to F*ck-off Town. We have spouses, fur babies, rent, Taco Tuesdays, gambling debts and whatever the shit else we want to use the money for as a normal hard-working functioning human. We won't even mention what it takes to run a business or if you have employees and **OMG THE INSURANCE PREMIUMS AND TAXES!** Seriously, stop asking for cheap and/or free work. From this day forward be a better human and not an abominable shit goblin. Remember, we all have a living to make and a life to live.
