

## HOBO CHOW HISTORY:

We strive to create a harmonious balance between hobo's and our Hobo Chow brand. Keeping the hobos fed reduces crime, stabbin', stealin' and wrastlin' amongst the hobos. Sometimes this creates an adverse affect, resulting in an uncomfortably high amount of hobos. That's where Hobo Chow special cultivation process works it's magically wing dingle ways. Our hobo selection process is not meticulous, or rigerous. We grind up any ol' hobo and throw it in a can for your foodin' pleasure. Hungry yet?

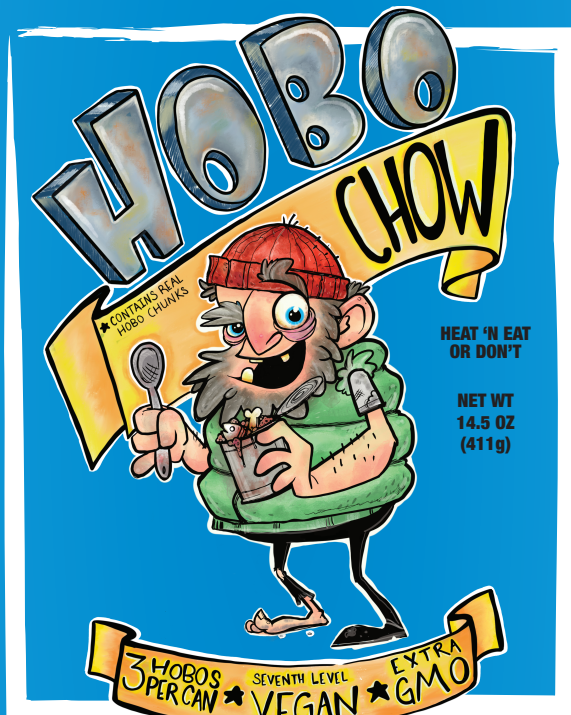

Once you start eating Hobo chow, you just can't.
